

# NIGHTHAWKER

## TECHNICAL RIDER

### WARNING:

You booked a band that might be loud. We can't play less loud, but we will give you a good (sounding) show.

## **BAND & BACKLINE**

### **Kiki Beemer**

- *Lead vocals*
- *Drums*
- *Acoustic guitar*

Drum kit consisting of kick, snare, tom, floortom, hi-hat, ride, 2x crash. Acoustic guitar with XLR and jack out is used at the drumkit position.

### **Steven van der Vegt**

- *Lead vocals*
- *Guitars*

Backline consisting of Marshall Origin 50H top with Palmer Legend 2x12" cabinet and/or Fender Hot Rod Deluxe combo. A pedalboard is used.

### **Gwen Ummels**

- *Guitars*

Backline consisting of Blackstar HT50 Club top with Orange 2x12" cabinet. A pedalboard is used.

### **Brandon Spies**

- *Bass*
- *Backing vocals*

Backline consisting of Kustom DE300HD top with 2x Kustom DE410 cabinet and/or Kustom DE210 cabinet. A pedalboard is used.

*We might bring our own FOH mixer Erwin Ummels (this will be communicated in advance), who'd like to work in friendly conjunction with your own in-house FOH crew.*

We exclusively use our own backline and we don't share our backline with other performers, unless we personally agreed on different terms for a show.
